80337 Munich, Germany

Arrival by train:

From Munich central station with bus number 58 towards Silberhornstraße until the stop Goetheplatz.

AGENDA

- 4:30 pm** WELCOME COFFEE
- 5:00 pm** INTRODUCTION
Tobias Feuchtinger, Irene Teichert-von Lüttichau,
Munich (Germany)
- 5:05 pm** Genetic aberrations in childhood ALL
Brigitte Schlegelberger, Hanover (Germany)
- 5:35 pm** Clinical Case: Philadelphia-like ALL
in a child with Down syndrome
Daniela Schenk, Munich (Germany)
- 5:55 pm** Prediction of neo-epitopes from tumor
sequencing data as a basis for vaccination
strategies
Peter Lang, Tuebingen (Germany)
- 6:25 pm** BREAK
- 6:40 pm** Genetic aberrations in adult ALL
Claudia Haeflach, Munich (Germany)
- 7:10 pm** Therapeutic consequences of genetic
aberrations in ALL
Rob Pieters, Utrecht (Netherlands)
- 7:40 pm** Clinical Case: Refractory childhood acute
lymphoblastic leukemia
Vera Binder, Munich (Germany)
- 8:00 pm** DISCUSSION AND SUMMARY
FOLLOWED BY DINNER
(Buffet at lecture hall)
